NATURAL METALS

Natural Metals are covered by a separate performance warranty. Please see our website for details.

All colors are available in aluminum.
Colors with (*) are available in steel.

Colors shown here approximate finished colors as accurately as possible. However, colors may vary, and will also appear different on aluminum than they do on steel. Actual color samples on the appropriate metal choice are available upon request. Selection may vary by region. Please contact Custom-Bilt Metals for availability.
